

HELPFUL AND INTERESTING INTERNET SITES

<http://www.ext.vt.edu> The Virginia Cooperative Extension is an educational outreach program of Virginia Tech which sponsors programs and resources for Virginia communities.

Helpful horticultural links whose pest management information must be vetted by VA Tech are:

<http://jccwmg.org> James City County/Williamsburg Master Gardeners

<http://www.pubs.ext.vt.edu/426/426-366/426-366.html> Minimum chemical gardening

<http://www.idlab.ento.vt.edu/> Insect ID

<http://fwie.fw.vt.edu/VHS/> Herpetological Society of Virginia - Snake ID

<http://www.butterfliesandmoths.org/> Butterflies and Moths of North America

<http://www.vnla.org> Virginia Nursery & Landscape Association. Resources include a grower guide, searchable by genus/species or company name.

<http://www.vnps.org> Virginia Native Plant Society has links to local chapters and resources.

<http://www.vslld.org> Virginia Society of Landscape Designers. Locate a professional landscape designer in your area.

<http://webgarden.osu.edu> Ohio State University gardening database provides information from U.S. land-grant universities and government agencies.

<http://plants.usda.gov> PLANTS Database from the U.S. Department of Agriculture. Includes fact sheets; image gallery; lists of endangered plants, noxious and invasive plants, and plants by state.

<http://www.nhc.noaa.gov> National Oceanic and Atmospheric Administration's National Hurricane Center.

<http://www.wildflower.org> The Lady Bird Johnson Wildflower Center's Native Plant Information Network provides fact sheets, images, suppliers and organizations.

<http://www.treesaregood.org> Consumer Tree Care website hosted by the International Society of Arboriculture. Resources include images, FAQs, and searches for a certified arborist.

<http://www.publicgardens.org> American Public Gardens Association members include arboreta, historical sites, university gardens, and zoos. Search by location.

<http://agricola.nal.usda.gov> Search the catalog of the National Agricultural Library for books and articles.

<http://www.cbhl.net> Council on Botanical and Horticultural Libraries. Ask a plant librarian a question; links to electronic resources.

<http://www.webliminal.com/essentialweb/evaluate.html> Guidelines for evaluating web pages.
